

## Fundamental British Values

At St Botolph's we uphold the Fundamental British Values through our own Christian values of Resilience; Respect and Responsibility We teach our children the importance of perseverance, respect for themselves and others and to take responsibility for their own actions and also for the world around them. Our children leave our school with a strong sense of self and love for the world they live in.

### Democracy

At St Botolph's the children are taught that everyone has a right to express their own opinions and that these can contribute to the life of our school. This is demonstrated in the following ways.

- Termly pupil voice meetings
- School council elections and meetings
- Pupil surveys
- Parent in partnership group

### The Rule of Law

We teach children to uphold the rule of law and its importance in our society. This is demonstrated in the following ways

- Classes formulate their own rules
- A clear Behaviour Policy
- Visits from the local PCSO

### Individual liberty

We teach children that everyone has the freedom to make their own choices and we demonstrate this in the following ways

- A wide variety of extra-curricular activities
- A choice of a variety of homework tasks

### Mutual Respect

We teach children to treat others in the way that they wish to be treated. We demonstrate this through

- Our playground buddy system
- Reflection areas

### Respect and tolerance of those with different faiths and beliefs

We teach children the importance of respect of all members of our community even those with different beliefs. We demonstrate this in the following ways

- Our close link with Saint Anne School in Combrai France
- Participating in the annual Same Sky project
- PSHe and RE lessons
- Collective worship
