

Message from the Head Teacher

Dear Parents and Carers

I would like to thank you for your understanding and co-operation so far during this unprecedented time. Wherever possible, please stay at home and stay safe.

We are continually monitoring government guidelines and will contact you as soon as there are any changes to the current situation.

The school is only open to vulnerable children (whose parents have been contacted) and those who have parents employed as keyworkers in roles critical to the government's response to the Covid19 crisis and have absolutely no alternative.

More information for parents/ carers can be found via the following link: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

Home learning is available for every child and should be accessed via Seesaw where possible. If you are unable to access homework online, please contact the school office.

As we reach the end of Term 4, we say a sad goodbye to Miss Johal and Mrs Longshaw and wish them every success in their future careers.

Hoping that everyone stays healthy and happy.

Kind regards,

Amy Chitty
Head Teacher

In order to prevent the spread of airborne diseases, such as flu and coronavirus, the NHS recommends that everyone should:

- wash their hands often with warm water and soap;
- use tissues to trap germs when you cough or sneeze;
- bin used tissues as quickly as possible.

For more information on keeping safe: please visit: <https://www.gov.uk/coronavirus>

Important Email addresses:-

During the school closure, you can contact our staff via email at the addresses below:-

General enquiries:- office@st-botolphs.kent.sch.uk

Safeguarding:- headteacher@st-botolphs.kent.sch.uk
senco@st-botolphs.kent.sch.uk

IT problems:- assistanthead@st-botolphs.kent.sch.uk

We will do our best to reply within 24 hours.
