

ST BOTOLPH'S C OF E PRIMARY SCHOOL

18th May 2020

Dear Parents/Carers of Children in Years 2, 3, 4, and 5.

School Reopening Arrangements

I hope you are all keeping safe and well.

As you know, schools will reopen for children in YR, Y1 and Y6 from Monday 1st June, dependent on the five key tests set by the Government. In line with Government guidelines, children attending school will be grouped into *bubbles* of no more than 15 children, with provisions put in place to minimise contact and mixing and to ensure good hygiene.

Children in Years 2 to 5, whose parents are not critical workers, need to remain at home. Online learning will continue, with our exciting new whole school Take One project of 'Passport to the World' starting on 1st June. As teachers will be teaching in school from this date, you may find that someone different will be overseeing your child's work. Please be assured that this will always be a teacher or an HLTA from our school.

The school will still remain open for children of critical workers, who have absolutely no alternative but to send their children to school. If you feel that you fall into this category, please telephone the School Office on 01474 365737 or email office@st-botolphs.kent.sch.uk. You will be required to provide contact details for your employer for us to verify this.

Please do not hesitate to contact us if you experience any problems. Parents will not be permitted to enter the school site, unless they are dropping off children in Year R or Year 1, and any communication should be via email or telephone. If face to face contact is necessary, it will be by appointment only, with strict social distancing measures adhered to.

Kind regards

Mrs A Chitty
Head Teacher
