Key Learning

Christians believe:

- God created the universe.
- The Earth and everything in it are important to God.
- God has a unique relationship with human beings as their Creator and Sustainer.
- Humans should care for the world because it belongs to God.

During **harvest** time Christians thank God for helping them to grow the food that they have collected. A **Harvest** Festival is held at churches (and sometimes in school) where produce is donated and then given to those in need.
