Key Learning

- The Old Testament pieces together the story of the People of God. As their circumstances change (for example, from being nomads (Abraham, Jacob) to being city dwellers (David)), they have to learn new ways of following God.
- The story of Moses and the Exodus shows how God rescued his people from slavery in Egypt.
- Christians apply this idea to living today by trying to serve God and to bring freedom to others; for example, loving others, caring for them, bringing health, food, justice, and telling the story of Jesus.
- Christians see the Christian Church as part of the ongoing story of the People of God, and try to live in a way that attracts others to God, for example, as salt and light in the world.
