

ST BOTOLPH'S C OF E PRIMARY SCHOOL

21st September 2021

Dear Parents/Carers of Children in Years 1 and 2

KS1 MATHS WORKSHOPS FOR PARENTS

You are invited to a workshop on Friday 8th October 2021 at 1.30pm to 3.00pm to explain how we teach calculation in Key Stage 1 at St Botolph's.

This is a great opportunity for you to gain an insight into your child's learning and find out how we teach them nowadays - which has changed so much since we were at school!

Whatever your own ability, and whether you love or hate maths, this workshop will be taught at child's level and will help you to support your child more at home. You will not be tested and there will be no exams at the end!

Kind regards

Miss Montgomery and Mrs Ingram
Mathematics Subject Leads
