

## ST BOTOLPH'S C OF E PRIMARY SCHOOL

21<sup>st</sup> September 2021

Dear Parents/Carers of Children in Years 3 and 4

### **LKS2 MATHS WORKSHOPS FOR PARENTS**

You are invited to a workshop on Friday 15<sup>th</sup> October 2021 at 1.30pm to 3.00pm to explain how we teach calculation at St Botolph's.

This is a great opportunity for you to gain an insight into your child's learning and find out how we teach them nowadays - which has changed so much since we were at school!

Whatever your own ability, and whether you love or hate maths, this workshop will be taught at child's level and will help you to support your child more at home. You will not be tested and there will be no exams at the end!

Kind regards

Miss Montgomery and Mrs Ingram  
Mathematics Subject Leads
